

Astbury Golf Club Starter Package

The Astbury Golf Club starter package is specially designed for people starting to play golf and who are having lessons with our Club professionals. It will allow them to maximise their enjoyment of the game and accelerate their full participation in the competitive and social environment of a members' golf club.

Features:

- Social membership providing access to the club's bar, snooker room and catering facilities. This includes a regular programme of social events and Sky TV.
- Use of the club's excellent practice ground and putting green
- 10% discount of golf lessons
- 6* rounds of golf
- Priority in becoming a full member of Astbury Golf Club

Benefits

- Provides beginners the opportunity to develop their skills in a friendly club environment
- Allows beginners to move from having lessons to playing a full 18 hole course
- Allows the person to understand the opportunities for social and competitive golf that belonging to a members golf club affords before making a commitment to full membership
- Reduced prices in the club bar by the members bar card discount scheme
